

June 3, 2020 Foothills Ward Consultants Training: As Part of the Remote Ward Temple and Family History Night

Opening Prayer: Sister Wendy Marshall

7 pm to 7:15 pm: Welcoming Theme: Fellowship with Zoom One-On-One in Homes equals "Spirit of Elijah!"

- Welcome Kim & Wendy Marshall on their return from Mesa, Arizona
- We can still make a difference in spite of the coronavirus pandemic lock-down. Here's How!!!
 1. **Three ward selected members from the Foothills Ward** will receive on-line assistance from **Guest consultant: Wallace Carroll**, presently Assistant Director of the Nauvoo, Illinois Family History Center, former Director of the Littleton Family History Center, Church Genealogy Missionary, Self-Reliance Missionary in McAllen, Texas and Missionary in the Dominique Republic and more all while in his retirement years!

2. **Revelations from the Foothills Ward Temple & Family History Facebook Group.**

7:15 pm till 8:30 pm Welcome Brother Wallace Carroll for consultation with three members of our ward. All of them have unique needs and Brother Carroll is a master genealogist with a wealth of successful experiences. Together, we can learn from the master by observing how he thinks and how he can literally be a difference-maker for us even he doesn't have specific answers. Please bring your family history challenges and maybe if there is sufficient time, possibly he can assist each of you as well if we have a specific issues to share. The real treat will be to observe his unique mannerisms when confronted by difficult original research challenges. Brother Carroll is one of my official spiritual advisers for the *FamilySearch Team Kuzmich Extraction Project* since 2007 and has been the guiding light for all of its spiritual success for me and my entire family!
