

Canadian Census Records with a Discovery About Canada Research Previously Omitted in this Facebook Group in 2019

One of the best ways to find and track your recent Canadian ancestors is through census records. In Canada, national censuses have been conducted from 1851 to 1921, and some regional censuses are available from 1825 to 1926. In [Goal 3](#) at <https://www.thefhguide.com/project-9-canada03.html#a> of the Canada country page, you'll find QUIKLinks to all these census records, plus resources that include articles and videos, worksheets, and more. Closing Comments

Unfortunately when I focused attention on 60+ countries world-wide in 2019, I completely omitted Canada. My apologies for this omission. Please give suggestions on countries not previously reported at <https://foothills-family-history.org/node/16>. There are some really resources sited below for Canada. For access to researching Canadian records, consider using:

- **Learn about research in Canada** at <https://thefhguide.com/project-9-canada.html>
- **6 learning courses to help you do your family history research in Canada** at <https://www.familysearch.org/search/collection/location/1927164?region=Canada&englishRegion=Canada>
- **Canada Genealogy** at: https://www.familysearch.org/wiki/en/Canada_Genealogy
- **Canada Census Research** at <https://www.familysearch.org/help/helpcenter/lessons/canada-census-research>

FamilySearch.org has a lot of other successful search tips to learn about the differences between United States and the Canadian census. Also important, is to identify where the records and indexes are located. These websites below have many video clips at <https://www.familysearch.org/help/helpcenter/tag/canada>. It offers many explanations about immigration to US and Canada.

- [United States Research: Mountain West Region Border Crossings](#)
