Believe me: the **RootsTech 2020 Conference** is the not only the largest, but is also the best family history conference in the world whether you are a newbie to expert. I have attended every conference since their inception in 2011 and can attest that it is actually better than as cited below! **Why should you attend?** View this at: <https://www.rootstech.org/why-attend>. There are six short video clips at the previous URL that will catch your attention ASAP!
