

Family History Reunions: *Plan Now for Special Memories Either Virtually or In-Person*

Thought about holding a family history reunion? It can be a fun and meaningful event, where family members get the chance to mingle, enjoy activities, and share family history information with each other. This article by Marc McDermott at <https://www.genealogyexplained.com/how-to-plan-family-reunion/> provides a list of tips so you can plan ahead for a successful event, such as invitations, location, food, and more plus the Who's Where's, When's and Why's and besides reasons for it and keep it going. To learn more about family history reunions, check out Goal 3 at <https://www.thefhguide.com/project-6-help03.html#c> in Project 6: Help. (See all tips at <https://www.thefhguide.com/tip-of-the-day.html>.)

Although summer may seem a long ways from now, consider starting to stage your own family reunion for excitement that can provide priceless memories for your family, grandchildren and future generations. It can also be accomplished by videoconferencing as well to bridge long distances and the COVID pandemic.

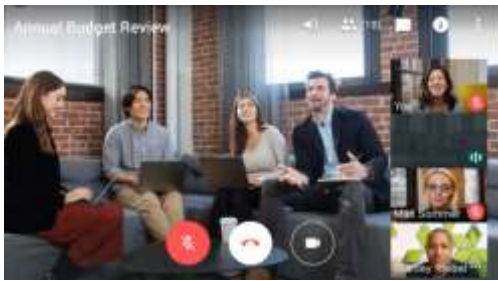

Closing Comments: Do It as a Reality Check for Family History Progress

Never say no because only effort can make it happen. This time is a perfect to plan summer vacations to reach out to others systematically. Below are some previous Facebook group postings for your consideration. With young grandchildren, my family's reunions have been awesome for them to better know their cousins better especially with half of them living out-of-state.
