

Temple and Family History Research Tools & Techniques

The **Family History Guide** is a free website that represents a best-in-class learning environment for family history. Its scope is broad, but its focus is narrow enough to help you achieve your goals, step by step; whether you are brand new to family history or a seasoned researcher—or somewhere in between.

Mission Statement: "Our mission is to greatly increase the number of people actively involved in family history worldwide, and to make everyone's family history journey *easier*, more *efficient*, and more *enjoyable*."

Quick, new techniques & tools with outstanding tutorials can be found on **The Family History Guide** at <http://www.thefhguide.com>. Sample topics listed below are linked to the latest, most powerful technology available. These tutorials are seamlessly grouped into concise levels of instruction, with multiple skill levels for novice through advanced users. Explore www.thefhguide.com including free tutorials for learning, research, training, and activities center for family history: <https://thefhguide.com/introduction.html#about>

Here are some of the unique features you'll find on the site:

- Goals for learning, supported by flexible Choices
- Step-by-step instructions for easier learning
- Links to videos & articles from FamilySearch, Ancestry, and more
- QUIKLinks that take you to record searches from multiple sources with a single click

- Project Tracker sheets and training materials for self-study or group instruction
- Activities for families, individuals, youth, and kids
- Family history resources for faiths, including members of The Church of Jesus Christ of Latter-day Saints, Catholics, Protestants, and those of Jewish heritage

FamilySearch Approval: The FamilySearch article "[Learn to Use FamilySearch](#)" points to The Family History Guide in numerous places as a trusted learning resource.
