

“Genesis”: Latest Table of Contents Upgrade at <http://www.kuzmich4.com/Facebook/Genesis.pdf>

The newly enhanced Foothills Ward Temple & Family History Facebook Group Table of Content is a unique opportunity to better use our Facebook Group with 670+ posts. This Facebook group is located at <https://www.facebook.com/groups/358696091448653> which is a significant T of C makeover at <https://foothills-family-history.org>. Below I have identified each of our temples found on the table of content website. President Ivan Majc is the photographer for all of these Latter-day Saint temple photos. He is a professional photographer specializing in 360 degree virtual panorama photos for most of the municipalities in Slovenia where he lives and works. Here are some extraordinary examples of his latest temple virtual panorama photos at <http://www.mestna-infotocka.si/360vp/TEMPLES/>. If you want to see more photographic samples of President Majc’s portfolio, go to the **Closing Comments** section for this post.

Below are some links exhibiting the photographic works of President Ivan Majc who has traveled to all of my family's historical sites in Poland, Slovenia and Ukraine photographing thirty-eight different 360 degree virtual panorama photos of ancestral churches, cemeteries, homesteads, and landscapes at:

http://kuzmich4.com/KUZMICH%20360VP_SLO_POL_UKR/Kuzmich_Genealogy_Europe_Ancestors.html. Below are instructions of how to best navigate and view these priceless genealogical **keepsake photos!**

Click on the icon above for 360 degree Virtual Tour:

As you click on the icon above, a Google Earth presentation featuring a 360 degree virtual tour what opens up with a virtual odyssey tour of my Eastern European roots in Poland, Slovenia and Ukraine. This virtual tour can be displayed on computers, tablets and

smartphones which makes it compatible like O+ blood with multimedia attributes of interactive Google maps, historical video clips and photo galleries, background music, annotated notes as well as customized virtual panorama connectivity and more!!

1. Click on the country icons at the top of the opening screen and there's an index to peruse each photograph for each country.
2. For each virtual photo, there is a Google Earth map provided for your convenience in viewing the geographical location from roof top to outer space.
3. On each photo you will find icons for individual photos and/or red balls as hot links to other nearby virtual photographs.
4. Once a still photo is displayed within each virtual photo, click on it and the still photograph will appear in the center and then click on the "I" icon on the tool bar if it is unshaded.
5. By clicking on the "I", a commentary about each photograph will be displayed.

His landscape photos are of National Geographic quality!
