

[Good news: Join the Conversation with RootsTech 2020 & 2021!](#)

You can subscribe to the Rootstech newsletter which will provide you with the up to date information on the RootsTech 2021 conference at <https://www.rootstech.org/salt-lake>. I don't know their full plans, but from very reliable sources, it could be online or in person, but there will be a RootsTech 2021 happening. Remember: the Lord is in charge!

Share your RootsTech experience on social media using #RootsTech or #NotAtRootsTech. In the meantime, go to <https://www.rootstech.org/salt-lake> and everything on each photo below is linked and "hot" for your perusal.

RT @FamilySearch: Do you have German ancestry? Here are some genealogy websites that you might find useful in your German research. Read more...
