Closing Comments

Fortunately, there is a plethora of links for research all fifty states in America. To take advantage of this, I have summarized four major resources to explore first regardless of which states you need assistance.

First: *The Family History Guide* has an abundance of clever tutorials at: <https://thefhguide.com/project-9-united-states.html> and there you have individual links for all 50 states with handy tutorials and video tutorials. Believe it or not, *The Family History Guide* was used to train all Church family history missionaries at Salt Lake City Family History Library for the past 5+ years. That's how good it really is.

Here are the previous posts on this Facebook Group that have concentrated on the blessings and powerful capabilities of **The Family History Guide**.

Second: The *FamilySearch.org* also has abundance of 6,275 state resources waiting for you. Don't be overwhelmed by searching for U.S. "**state research resources**." Click [here](#) for these informative links along with very clear supporting notations about each link to help you accelerate your search. Or if you want to narrow your search options considerably, initiate a separate search for each state individually at their *Help Center* at: <https://www.familysearch.org/help/helpcenter/>.

Third: *The Department of the Interior* provides a guide to tracing your **Native American heritage**. **The Statue of Liberty - Ellis Island Foundation** has a database of passenger records. Search it to find family members who entered the United States through the famous port. The Library of Congress offers local history and genealogy reference services. They can help you refine your research skills and find new sources. Click here to initiate your state family history challenges at: The Department of the Interior provides a guide to tracing your Native American heritage. The Statue of Liberty - Ellis Island Foundation has a database of passenger records. Search it to find family members who entered the United States through the famous port. **The Library of Congress offers** local history and genealogy reference services. They can help you refine your research skills and find new sources. Click [here](#) for these invaluable resources that are arranged in a rather handy table of contents for all the resources mentioned in this paragraph to further accelerate your research time.

Fourth: [Staterecords.org](#) is not a consumer reporting agency under the FCRA and does not provide consumer reports. Conducting a search on Staterecords.org is subject to our Terms of Service and Privacy Notice. "Publicly available records are a fundamental guarantee of our Freedoms & Democracy." Serving the community since 2007.

Still need more resources? Consider these as well.
