Closing Comments

Whew!! That's a lot of good stuff to peruse. The magical potion isn't the quantity of information shared with you on this posting, but rather it is that I've outlined some essential, logical steps for you to progress over time, one step at a time!!!! And you have my notes with links for your referencing.

Mastery of any subject takes time and effort, but knowing where to start can be a significant factor in asserting yourself with family history success. Success is what drives most of us. Good luck in rejuvenating your efforts in developing a dynamic plan that can be a difference-maker for you. Whenever in; doubt, peruse the table of contents for this Facebook group and there's more content there well organized waiting for you within seven screens to jump-start from at: <https://foothills-family-history.org/alphabetical-view> within seven different screens by alphabetized topics to access 300+ postings since May 29, 2019. **Note:** the "Motivation" topic was recently added with no less than eight individual articles.
