

Genealogy Axiom: [Never Give Up Because Winners Never Quit and Quitters Never Win!](#)

Life is worth living. The trick is to make achievements towards your goals. Achieving a challenging goal can be a wildly exhilarating thing. If you're flirting with the idea of giving up, you could be throwing away something wonderful—[your best future](#) at <https://www.success.com/john-addison-5-tips-to-create-your-best-future/>

There's always going to be anxiety about uncertainty and [fear about failing](#) at <https://www.success.com/how-to-confront-your-fear-based-thoughts/> but push yourself to keep going. After all, you'll never know how close you are to succeeding if you quit now.

To channel some positive momentum in your genealogical pursuits, keep these [15 motivating quotes](#) at <https://www.success.com/15-inspiring-quotes-about-never-giving-up/> at the top of your mind. And *never give up*. For those of you at the entry level in your family history, consider these following questions which will be a good start to personally address.

1. Can I sign into familysearch.org because this is best free genealogical website for family history.
2. What do I know about each person shown in my pedigree/fan chart?
[\https://www.familysearch.org/tree/pedigree/fanchart after signing in]
3. Who are my adult convert ancestors? Do I know their conversion stories?
4. What do I know about an ancestor that is not shown in my fan chart?

Closing Comments

After doing family history for 50+ years, I can personally testify to you that every brick wall family history experienced was very discouraging especially when I had to start from scratch without any family support/assistance/encouragement. Need more inspirations? Consider this article with [11 Ways to Stay Motivated From People Who Refused to Quit](#) at <https://www.success.com/11-ways-to-stay-motivated-from-people-who-refused-to-quit/> . Taking the next step is critical whenever you hit a brick wall in your family history pursuits. There's no better motivational tool than to achieve success. Which indeed, can be the very fountain of youth in your timely efforts to be successful with your challenging family history efforts.

For those of you who are more advanced, consider going through the table of contents for this Facebook group for more specific tips/tricks to advance you past your brick walls at: <https://foothills-family-history.org/> with links to the editorial content. Below are examples of the specific topics addressed in the 550+ posts in the Foothills Ward Temple & Family History Facebook group. Note: each topic can have multiple posts addressing each topic more creatively than the other. Consider the table of contents as the ideal networking tool for not giving up because we all need inspirational avenues to approach our challenges. And you don't need a Facebook account to utilize the entire Facebook group. The editorial content is there and totally free to all genealogists.

Don't Give Up Because. . . !

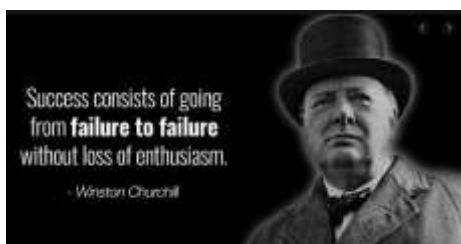

The movie *October Sky* is perhaps the best illustration of how I personally met many problems with my family history from even my own family and yes, financing five trips to Eastern Europe with my entire family on a teacher's salary. Here's the movie trailer to provide insight why it means so much to me on how "*I never to give up the past 50+ years*" at: <https://www.youtube.com/watch?v=oWBZIZTSnvM> within 2:18 minutes.

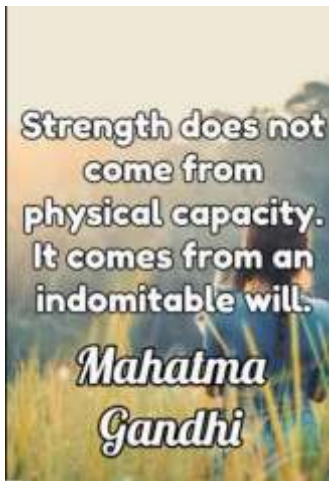

If ever you experience a broken link on our Facebook group, please never hesitate to post a comment as I am very good in fixing them once I know where it is! Now you know that I'm not only a good genealogist but a very successful one as I didn't give up even when the odds were against me. Faith, networking and praying are the essential short-cuts for all of us when taking on challenging family history assignments. Below is the alphabetical view comprising nine screen pages of this Facebook group's table of contents thus far posted since May 2019.
