

**RootsTech 2022 Highlights:** *Join The Party as It NOT TOO LATE TO REPENT at <http://www.kuzmich4.com/Facebook/RootsTech%202022%20Highlights.pdf>*

I don't have the RootsTech 2022 attendance figures yet, but RootsTech 2021 was very well attended offering 1,500 presentations representing 185 different topics. To more skillfully utilize its contents for the next 12 months, I suggest you peruse the previous posting on March 3, 2022. It is entitled: **NEVER TOO LATE TO REGISTER FOR ROOTSTECH 2022 BECAUSE . . . .** at

<http://kuzmich4.com/Facebook/RootsTechC%202022.pdf> which reads much better in its formatting than in Facebook with tips of how to best utilize its website for self-paced instruction and spiritual uplifting!

## Closing Comments

With so many presentation to peruse for the next 12 months, below is a good starting point with a short 2:40 minute video clip giving you some highlights at <https://kuzmich4.com/RootsTech%202022/RootsSTech%202022%20HighlightsB.mp4>. Suggest you pause the video clip whenever you want to notate the presentation title so you can search for it and put it in your Playlist for future view.

**Get All Access. Absolutely free.**

It really is free! FamilySearch is a nonprofit organization offering access to billions of historical family records. RootsTech is the annual conference and learning platform of FamilySearch.
