

Why Family History Matters

When you are a family historian, the question that you get asked the most by people who are not into genealogy is “Why do you do it?” It’s a fair question, and I have given it a lot of thought over the years. I have come to an important conclusion that I think applies... Here is a synopsis of what Lisa Louise Cooke stated in 17 seconds at: <https://lisalouisecooke.com/2020/05/06/why-your-family-history-matters/d>.
“That’s one movie I definitely want to watch from beginning to end!”

Closing Comments:

Why do I do family history? *It definitely helps to keep families together both with their past, present and well into future generations!*

Tune into the [Genealogy Gems Podcast](#) to learn more about how to discover your family history. Her **FREE weekly podcasts** appear every Thursday at 11 am CDT and they are available 24/7 as well!
